### SELECT SCHOOLS.

ON OR ABOUT THE FIRST OF SEPTEMBER, Miss Anna G. Wood, now at Trinidad, will open a Select School in the room now in process of erection on the premises of the Presbyterian mission. She will teach five hours a day and five days in a week. Every pains will be taken to make it an excellent school and attractive to the pupils. The room will be well finished, neat and commodious, well lighted and ventilated, and in the winter well warmed. The public are invited to examine the room when it shall be completed. The terms will be \$3.00 per month, payable monthly. No deduction will be made for absence, except in case of sickness, unless the pupil is absent one week, and when the pupil shall have been absent one week, (there having been no illness to prevent attendance), the seat will be considered vacant and given to the next applicant. Pupils will be registered in the order of application. Application should be made to the undersigned until Miss Wood arrives.

I believe Miss Wood to be well qualified to make this contemplated school such an one as the citizens of Las Vegas would desire. Her testimonials are of a very high and satisfactory character.

## JUSTICE

### AS ADMINISTERED BY THE DISTRICT COURT FOR SAN MIGUEL COUNTY.

#### The Grand jury empaneled—The civil and criminal dockets called—The business of the term.

The court got down to work yesterday and under the administration of Judge Prince and the prosecution of Attorney General Waldo is liable to push business through at a rapid rate and make it warm for evil doers.

Major Jose D. Sena was appointed interpreter to the court. Major Sena has no superior as an interpreter.

He has excellent command of both languages and is familiar with legal terms. He will convert a rapidly spoken speech from English to Spanish or vice versa to the jury during its delivery without at all interrupting the orator. It is a gift which few possess in such perfection.

The Grand Jury consists of the following persons:

Severo Baca,  
Francisco Robledo,  
Milnor Rudolph,  
Lorenzo Labadie,  
G. W. Stoneroad,  
Juan Bernal,  
Richard Dunn,  
Benigno Romero,  
Jose Maria Martin,  
Alejandro Perea,  
George Chaves,  
Aniceto Salazar,  
Jesus Garcia,  
May Hays,  
Melquiades Ramirez,

Richard Dunn was appointed and sworn as foreman and the Grand Jury proceeded with the work of the term.

The petit jury was organized as follows:

Manuel Barela,  
Joseph Rosenwald,  
Mauricio Tapia,  
Aniceto Baca,  
Peter Trambley,  
T. W. Gerrard,  
Antonio Baca y Baca,  
Rumualdo Martin,  
Antonio Alan Romero,  
Agustin Vigil,  
Apolonio Duran,  
Rafael Duran,  
Jesus Prada,  
Mannuel Roybal,  
Antonio Baca,  
Jose Felipe Baca,  
Feliz Garcia,  
Lazaro Sandoval,  
Manuel Baca,  
Pedro A. Garcia,  
Rodrigo Garcia,

John Hubbell son of Judge Hubbell was appointed interpreter to the grand jury.

The criminal docket was called and many cases continued or nolle prosequi, because the defendant could not be found or arrested.

The following cases were continued: The Territory vs. Eusebio Ortega, murder; against Basilio Perea, stealing a mare; Jose Sais, murder; Miguel Arguello, murder; Louis Alarid, Feliz Ronquillo; Giovanni Dugi, murder.

The last accused, it will be remembered paid the penalty of his crime on the well pump in the plaza.

The case of the Territory vs Dimas, rape, was set for trial Monday.

Felipe Montoya plead guilty to carrying arms and was fined \$15 and costs.

The case of Juan de Dios Martin, rape, was continued.

A few months ago the sessions of the District court were marked times in the town. The crowds who came in made a decided addition to the population. The distinguished attorney who came in received the largest share of public attention. But now the case is slightly changed. The crowds of parties and attendants are here but the ordinary population is so great that the increase is not observed and the distinguished attorneys can hardly be told from the other fine looking men congregated about the hotels and other public places.

On motion of Louis Sulzbacher Esq. a committee was appointed to examine W. H. Whitelaw recently from Hutchinson Kansas. The committee after examining Mr. Whitelaw's certificates reported favorable and he was duly admitted to practice in the courts of this Territory.

The case of Territory against Simon Clem for drawing a weapon in a dance was tried yesterday to a jury. The prosecution failed to make out any strong case against the defendant and the jury returned a verdict of not guilty.

The case of Territory vs Juan Valdes for breaking a fence was set for trial Friday.

The case of Alejandro Angel for stealing a horse continued.

The case of Mauricio Tapia, embezzlement set for Monday.

Territory vs Patricio Gonzales and Anselmo Gonzales, assault with intent to murder, set for Tuesday.

In the case of W. S. Leonard, assault with intent to kill a continuance was granted because defendant had skipped out.

Evidence was taken in the case of Simon Frankensall who applies to be admitted to full citizenship. He came to the United States in 1854, and to the territory in 1863. The court will convert him to a full blooded American before the end of the term. Louis Leicester is taking out his first citizenship papers.

Business men in a lull and pleasure seekers still continue to arrive and Las Vegas is bound to be the big town of New Mexico.

The rainy season is fairly under headway and the roads are as muddy as in the Mississippi valley states in the spring.

The streets are constantly crowded with people, many strangers are in from the east and goodly numbers are also here attending on the session of the district court.

Very vigorous competition may be expected on the bidding for the completion of the bath house at the hot Springs as a number of contractors will submit propositions.

Blake Lockhart & Co. have located their saw mill out near Bald mountain and Mr. Lockhart in coming back from there Tuesday night with some traveling companions lost the way and had to camp out.

In a casual conversation Wednesday with Mr. G. W. Dickinson he remarked that three or four civil engineers had been at work on the hot Springs Grounds and although the plat was not yet completed he hoped to be able to have hotel and residence lots for sale by the last of the week.

Oh no it don't rain in New Mexico!

### Personals.

Judge S. D. Lee of Colfax is in attendance at court.

T. F. Conway Esq. arrived from Santa Fe to-day to attend court.

Mr. A. Rosenwald, formerly a resident of Las Vegas, but now of the prominent mercantile house of Rosenwald & Co., Trinidad, is visiting with his brothers in town.

Eggs shipped from the states set for 20 cts. per dozen, while ranch eggs are at 30 to 50 cts. This only proves that our ranch men do not raise chickens as extensively as they should.

Trains continue to arrive from Otero and points beyond but they are all flying light. The iron horse has destroyed the freighters trade along the old trail northward.

O. L. Houghton knows the benefits of advertising and patronizes the columns of nearly all the papers in the territory.

### Exchange Hotel, Santa Fe.

The Exchange Hotel, Santa Fe is the only first class house in the city. Mrs. S. B. Davis is proprietress and keeps the house in the very best style. It is a splendid place for travelers going to Santa Fe to stop.
